

Hello there, I'm **Pedro Torchio**

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s. When an unknown printer took a galley of type and **scrambled** it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic **typesetting**, **remaining** essentially unchanged.

It was popularised in the 1960s with the release of Letraset sheets containing **Lorem Ipsum** passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

A short summary of my experience path is:

**Databases, PHP, Wordpress, Basic Frontent, Javascript Frameworks, Web Apps**
